WARWICK WARRIORS HOLIDAY TOURNAMENT

Continuing a tradition that began in 2018, Lititz Flooring again sponsored the Warwick Warriors Men's High School Basketball 2024 Holiday Tournament. As the tournament's longstanding sponsor, Lititz Flooring is committed to uplifting the local community by encouraging excellence both on and off the court. Warwick High School, located in the heart of Lititz, PA, has cultivated a basketball program recognized for its outstanding achievements. Warwick basketball runs deep at Lititz Flooring with President Dave Cipalla and his family. Dave's wife Krista and sons Jordan and Kai, all played basketball at Warwick High School.

By supporting the Warwick Holiday Tournament, Lititz Flooring celebrates the hard work and dedication of local athletes and affirms Lititz Flooring's commitment to fostering strong connections within the local community. The Warwick Tournament represents the values of perseverance, teamwork, and community spirit; all qualities that Lititz Flooring is proud to champion.

Warwick Warriors basketball is off to an incredible start in the 2024-2025 season with an impressive record and 93.8% winning percentage.
